

South Wales Kit Car Club

Meeting held 01/09/09

Report on The Gnoll 2009

It was a minor miracle – the sun shone for a car show! The Gnoll Show was held on the 9th August 2009 and over 650 cars turned up. This was a record for the show and also demonstrated that the interest in car shows is alive and well, despite the appalling weather we have had again this year. The show was very well attended by spectators and entrants alike and Skewen Motor Club ran the event with the high level of organisation we have come to expect. They also refurbished and raffled a classic Triumph Herald Estate on the day and, after expenses, managed to raise over £3000 for the Children's Ward in Singleton Hospital. There were several members of the club who attended, including John (who is making sure that he gets the use out of his Hawke now that it is completed) and Wayne and Jean. Linsey and I took our lady for her first outing this year as well.

There was an excellent auto jumble and everyone had a great day. Let's hope that the last few shows of the year prove to be an equal success, otherwise, perhaps we should all think about building kit cars we can use in the water as well as on land!

Lynwen

Events coming up this month:-

6 th	Pembrokeshire Run
13 th	Tonyrefail Classic Car Show
20 th	Tredegar Park Classic Car Show – all entries have to be in by 13 th (£10 late booking fee applies).
20 th	BBQ after the show at Phils.
27 th	MG Classic car run

Robin Hood Project:-

The kit and all donor parts are now centrally located in Bridgend and the car is currently on Ebay. We are hoping for a completion price of around £800. The money raised will then go to Llandough Hospital, as originally agreed.

Christmas Do

It was decided that this years bash will be held at the Pantruthyn Farm on December 4th. Exact details will be sorted out next month when prices and menus will be available.

Club Publicity

As the membership of the club seems to have declined over the last year, it was suggested that we make an effort to rejuvenate the club. In an effort to do this we will try to make some suitable flyers so that we can distribute them at the shows. In addition to this Dave will contact Real Radio, to see if they will give us a mention in association with the classic car event at Tredegar Park.....watch this space.....or listen to the airwaves!!!

October Meeting

This meeting will be the annual AGM, where it will be your chance to discuss what you would like to do in the club, aims, and any ideas. In addition for those who are interested the club committee and officials will be up for re-election. If you want to become a kingpin for the club let us know!!!

Club Meetings are held on the 1st Tuesday of every month at the Pantruthyn Farm from around 7:45pm
