January 2010

www.southwaleskitcarclub.co.uk

Greetings to all you kit car (and tintop) petrol heads.

First of all Happy New year!! I feel it is essential to welcome you into the New Year, as unfortunately our January meeting was cancelled because of poor weather conditions.....Snow! I believe that this is now two years running that our January meeting has been cancelled because of snow & ice.....maybe we should cancel the January meeting all together in the future??? Hopefully we will be able to have our February meet as normal, provided we are not under 6 foot of snow!

Christmas Meal – December 4th

For those of you who came to the meal I am sure that you will all agree that it was a very successful party and a great evening was had by everyone. The food was all hot, and came about the same time, which is quite good considering there were 24 of us! As well as the normal meal we even had a quiz provided by Linsey, and of course the Lucky dip presents – I am finding the mini tool kit ideal for odd jobs in the house... thanks very much whoever provided it!!

Annual Membership Renewals

Now for the nasty bit..... As you are aware February is the time we need to renew our memberships – the good news is that it will be cheaper than last year – family membership has reduced to £16, and single membership to £13. Please remember that £3 of which will go to our sponsored charity, Ty-Hafan. Please ensure that these are paid promptly during February - thanks.

Club Magazine

May I take the opportunity to thank Roger for his efforts in producing the last magazine; it was interesting to hear about how our intrepid chairman has taught us how to build a pot belly stove for the winter months in the garage! In order to keep the magazine going with interesting articles, please can you ensure that you send them to either me or Roger. As you can see by reading the mag, they do not all have to be car related.

Shows & Events for 2010

As a reminder to all of you who attend Tredegar Park Classic Car Rally, the date has changed to June 13th; the important fact is that all entry forms have to be in by 9th March, otherwise a £10 entry fee will be applicable for late entries. On the day entry will be the princely sum of £20....better put pen to entry forms & post them off!!!!

Dates for the BBQ & other club events will be planned during the February meeting. If you have any ideas come along and share them with us. Also if you would like to take part in organizing an event please speak to Linsey.

Next Meeting: Tuesday February 2nd from around 8pm.

In the mean time Safe Driving

Phil

your friendly Treasurer & Membership Sec.
